ACRYLIC or METAL CANVAS PRINT With aluminium wall hook

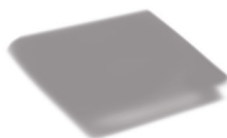

Be sure to use dowels and screws that are suitable for your wall.

Screws are not included.

Prints on acrylic glass only: remove the protective film after mounting the board.

Maintenance:

Clean with a soft cloth and glass cleaner. We do not recommend the use of paper towels as they are abrasive.

Materials used:

Standard: Acrylic glass (PS) 2.5 mm

Premium: Plexi® anti scratch (pmma) 4 mm
